(1) To be a member and maintain accounts at PARDA Federal Credit Union, you must purchase 1 share(s) in the Credit Union. The par share in PARDA Federal Credit Union is \$25.00. The par share value must remain in the account at all times to maintain membership. If the account falls below the par share value of one share for 6 consecutive months, the account will be closed and the membership terminated.

(2) The minimum you may withdraw is \$0.01. During any calendar month, you are allowed 6 withdrawals at no charge. When you make your seventh withdrawal within the calendar month, your account will be assessed a fee for each additional withdrawal. Withdrawals include by cash, check, Automate Clearing House (ACH), ATM or transfer. See PARDA Federal Credit Union's Schedule of Fees for current fee amounts.

(3) The first 1,000 transactions within the calendar month on this share type are free. This share type also permits \$10,000 in cash (coin & currency) to be deposited for free within a calendar month. If the 1,000 free transactions and/or \$10,000 in cash deposited within the calendar month are exceeded, there will be no charge, however; the Credit Union has the right to switch the share type to the Premier Business Interest Checking if this occurs on a consistent basis.

(4) The first 1,000 transactions within the calendar month are free. Once the 1,000 free transactions have been exceeded, there is a \$0.10 charge per transaction. In addition, the share type permits \$10,000 in cash (coin & currency) deposited for free within a calendar month. If the currency deposited exceeds the \$10,000 allowed, there will be a charge of \$0.50 per \$1,000 in currency deposited over the \$10,000 limit.

(5) Members have two statement cycles to acquire the minimum balance of \$1,500 before any service charges are assessed.

(6) Current dividend rates can be located online at www.parda.com.

(7) Accrued dividends will be paid when you close your savings. Accrued dividends **may not** be paid when you close your checking account before the end of the dividend period.

(8) **Average Daily Balance Method:** The average daily balance requires the application of a periodic rate to the average daily balance in the account for the average daily balance calculation period. The average daily balance is determined by adding the full amount of the principal in the account for each day of the period and dividing that figure by the number of days in the period.

(9) **Tiered Rate Method:** The state dividend rate that corresponds to the applicable share balance tier will be paid on the entire share balance when the average daily balance falls into that tier for the dividend period. Refer to PARDA's current dividend rates for additional information.

Other Important Information:

Business checking accounts are bound by the terms and conditions of the Business/Organizational Checking/Share Draft Agreements signed by you at account opening. We will pay share checks/drafts signed by any authorized signer on the account regardless of the number of signature lines on the check and notwithstanding the business internal policies and procedures on signature limitations.

Nature of Dividends: Dividends are paid from current income and available earnings, after required transfers to reserves at the end of the dividend period.
